Little May Bentley

Born a Genius

Disease Threatens to Cut Short a Noble Career

But Hood's Sarsaparilla Restores Good Health.

Little May Bentley is an accomplished elocutionist and natural born speaker of only 12 years of age. She is the only child temperance lecturer before the public. Her genius, however, did not exempt her from an attack of a disease of the blood. Her own words best tell the story: "C. I. Hood & Co., Lowell, Mass.:

"I heartily join with the many thousands that are recommending Hood's Sarsaparilla. I had been troubled from infancy with gatherings in the head. I was compelled to leave school upon the doctor's advice. He thought it was the only thing to save my life, but I

Continued to Grow Worse.

I was persuaded finally by a friend to try Hood's Sarsaparilla. The use of one bottle acted ef-

fectly upon the blood and I began to improve. After the use of three bottles the gathering ceased and I am cured of my former trouble. I owe my life and will always remain a true friend to Hood's Sarsaparilla." LILLIE MAY BENTLEY, Shelbyville, Indiana. GET HOOD'S.

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day: to sum it all up, I was perfectly wretched. But thanks to Paine's Celery Compound I can now eat and sleep and work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are very much pleased with it. I am now taking my fifth bottle, and would recommend it to all who are suffering with stomach trouble or nervous trouble.

Yours respectfully,
MRS. AUG. DARROW.

MONTROSE, Pa., Sept. 25, 1894.
